MORE, MORE MOORE!

Dear *Voluptuous*,

I enjoyed the Sept. '09 issue of *Voluptuous* very much. And wanted to tell you about my favorite girls in the issue. Maria

Moore is a beautiful and well-developed woman with beautiful nipples. I love her pussy and her eyes, too. She even has amazing ass cheeks. And

Bailey Santanna is a 10! Gorgeous and sexy and I really love her 12-pound pair of tits. She has great areolae, too.

Please feature more of these ladies and you'll make me happy.—M.B., McLeansville, North Carolina

Dear *Voluptuous*,

You made my day by putting Maria Moore in the Sept. '09 issue. She is so incredible and has some of the sexiest dugs I've ever seen. I am a sucker for big tits and even bigger areolae and she hits the spot! That issue scored a homerun for you guys! Where can I see her on DVD? Keep up the good work.—O.P., Little Rock, Arkansas

Dear Gentlemen: You can catch Maria Moore in a steamy girl-girl with titter-fave Sapphire in *My Big Plump Wedding*. They use fucksticks on each other and then have a threeway where they share a cock. You can score a copy on page 9.

ANNA LOREN: A TRUE VOLUPTUOUS TREASURE

Dear *Voluptuous*,

Wow! Awesome! Wonderful! All these words can be used to describe my new Sept. '09 issue of *Voluptuous*. You guys have outdone yourselves with the introduction of two stunning newcomers Selena Castro and Anna Loren. Both are very beautiful, stacked and curvy. A quick look at Selena and she reminded me of a young Via Paxton. And that ass! Yum! She will

Are Ana's horny look and spread ass cheeks an open invitation for anal?

definitely be high on the list of Newcomers for the 2009 contest!

Now, the slightly older and sexier Anna Loren is a true treasure. I loved it that you posed her in the garters and nude pantyhose. She is a classic beauty with the eyes and lips of an angel! Her tits are perfect and talk about a truly great ass! I love that, "Cum and fuck my asshole," look that she gives on page 52 with a vibrator stuffed in her pussy. So hot! Thank you, V-mag men! —K.L.B., Albuquerque, New Mexico

Dear *Voluptuous*,

Anna Loren is probably the best model I have seen in your magazine in ages! She is perfect. She has great tits and she looks like she really wants to be pleased by a real man, and I could be that man for her. You can always count on V-mag to give us tit men the best boobs around and Anna Loren doesn't disappoint. I am a fan for life!—G.D, Miami, Florida

SELENA CASTRO: THE SEXIEST LATINA AROUND!

Dear *Voluptuous*,

I am a Latin male who loves Latinas. I think that Latinas are naturally curvier than any other women and that they have a bigger appetite for hot and spicy sex. And I can't tell you how horny it makes me when I am having

Maria Moore and Sapphire share toys and a cock in *My Big Plump Wedding*.

sex with a Latina woman and she talks dirty to me in Spanish!

You can imagine that I went jack happy when I saw Selena Castro in the Sept. '09 issue. She is the most-amazing Latina that you have ever put in the magazine. And her tits! They make my mouth water! Please give us more Selena. She is almost oo good to be true!—H.G., Brooklyn, New York

SULTRY & SEXY SELENA

Dear *Voluptuous*,

Is there anything sexier than when Selena Castro pulled her nipples in the Sept. '09 issue? There is a shot of her amazing rack where she is pulling on her nipples that made me blow my load more than once. Selena is already a star in my book. She is one of the sultriest and sexiest ladies you have debuted in a long time. I hope to see more and more of this chesty chica in upcoming issues. I still can't believe how beautiful she is!—A.Q., Lexington, Kentucky

SELENA: MAKING DICKS DRIP WITH HER TITS!

Dear *Voluptuous*,

I know there's a stereotype that men who look at porn mags are 40-year-old virgins who can't get laid. And I'm sure that's true for some of your readers, but it sure as hell ain't true for me. I have no problems getting laid. It's just that I'm so fucking horny I

Readers went crazy for curvaceous Latina newcomer, Selena Castro and her firm, round 34G tits.

like to jack off to porn, too.

That being said, it takes a lot to make my dick drip like teenage boy who's about to get his first blow job. But one of your girls made me feel like...a virgin. Selena Castro.

Holy shit! She is the hottest girl I have ever seen your magazine. When I saw her in the Sept. '09 issue, I wet my tighty whities almost instantly. I can honestly say that hasn't happened to me in 15 years. I only get precum when I am INSANELY

turned on, and that's what Selena did to me. My cock was dripping!

As you can probably tell, I love curvy, Latin women. I prefer them with a little meat on their bones but not so heavy that they look sloppy and jiggly. And above all else, they have to have a pretty face. Selena meets all the requirements. Shit, I think I'd even be willing to give up my bachelor lifestyle for this girl. I can't even believe I'm admitting that. In fact, it's probably best that I've only ever seen her in a magazine. I just can't afford to be going all goo-goo over some girl in real life. After all, I have a reputation to uphold.—Z.M., Los Angeles, California

SHYLA SHY XXX: SHE'S NOT SO SHY, AFTERALL!

Dear *Voluptuous*,

I recently picked up a copy of the Sept. '09 issue and had to write in and tell you that I can't get enough of Shyla Shy. She is such a sexy woman and has such an amazing, plump body. I love her fleshy tits and even like her round belly. I could never get tired of watching her fuck, either, which is why I was so excited to see that her layout was a XXX pictorial. Thank you for featuring her and put her in again as soon as possible. In fact, you should dedicate a whole issue to Shyla Shy.

Shyla Shy may look like the girl-next-door, but she turns up the hardcore heat in *Sexed & Suckled* and *Mamazon*.

Can you give me a heads up as to where I can see her fucking on DVD?—H.O., Long Island, New York

Dear *Voluptuous*,

Some guys like super sluts, but I'm the type who goes for the girl next door. I think Shyla Shy is the ultimate big-boobed girl next door. She's cute, but not intimidating. She looks warm and sweet, like a slice of apple pie. And now that I've gotten to know her in her pictorials, I must know, where can I see her fuck and suck a cock?

I want to see if my predictions about her are true. She looks like a nice girl who turns into a total freak between the sheets, a down-home girl who gets down and nasty on cock. I can just see her taking a swig of beer, placing it down, then pulling my head forward into her chest and motorboating me whether I like it or not. Maybe she'd slap me around with her tits then suck my dick so hard it would almost come off my body. I love the contrast of a sweet-looking girl who's a real nasty slut underneath it all. Please tell me this is true for Shyla Shy. I've got a huge and hot load of cum waiting for her in my nuts.—T.F., Helena, Montana

Dear H.O and T.F.: It's true. Shyla Shy is not *THAT* shy because she does load-blowing XXX in both *Sex & Suckled* and *Mamazon*. We recommend the former because not only do you get Shyla fucking and sucking, but this DVD also stars Mianna Thomas, whose chocolate chest is amazing! And we give high marks to the latter because seeing Shyla run around half-naked and then fuck in the jungle is too good to be true. You can get your copies of these cinematographic masterpieces on page 9.

how good looking she is or how incredible her boobs are. We know! Just don't say anything and let the subscriber sit back and enjoy. You do a good job without getting in the way because your photographer is a real PROFESSIONAL! Just give me lots of big crystal-clear movies and hot pictures.

Your clips and pictures get right to business with a good teasing plot, then you start showing Karina, and a lot of her! I've been waiting for sites like this a long time where it's just about the girl without all these un-necessary distractions. But many other sites (your competitors) think they have to re-invent the wheel, when actually NO! JUST SHOW ME THE GIRL. And that's what you do, which means you'll only make more subscribers happy.

And Karina shows everything and for long periods: face, lips, legs, ass, breasts, and all the other private parts to go along with it.

It's a contrast to how many of your competitor sites frustrate the subscriber. They don't show the feature girl enough, or from long distances in poor quality in dark areas with men, body distractions or men's voices. It's not only distracting but it hides what we subscribers want to see, THE GIRL! There is a huge demand out there of subscribers for how you showcase the girl (Karina) without all that nonsense!

Keep up the good work and continue to JUST SHOW THE GIRL. Men want to see the 'natural' beauty of females in many different ways as possible. And you do it well!—Bob, via the Internet

SEXED & SUCKLED! YES!

Dear *Voluptuous*,

I have just placed an order for *Sexed & Suckled*, which contains the debut fuck scene of 19-year-old Mianna Thomas. She is the reason I purchased the DVD. I really get off watching black girls fucking white guys. I am white and I used to have a black girlfriend with 44G tits. Mianna looks a lot like her. We broke up and I often fantasize about fucking her

again. So, seeing Mianna fuck a white guy in *Sexed & Suckled* turns me on.

I have been a loyal subscriber since SCORE mag was first published all those years ago. I applaud you for continuing to find new XXX talent like the sexy Mianna. Keep up the good work.

Now, if you can just convince Karina Hart and Marilyn Sakova to fuck on film! If you can get either of those slim and stacked beauties to do a boy-girl scene, I am sure the DVD's will sell out.— J.W., Tucson, Arizona.

Mianna's hardcore debut in *Sexed & Suckled* is causing many cocks to stir!

Hillary Hooterz

Meet Hillary, a 20 year old from California with full F-cup boobs you're sure to love. Here are some fun facts about Hilary you might want to know. She loves being girly, shopping and trying on makeup. She also likes photogra-

phy and modeling. She claims her favorite team is the Lakers and that basketball is her favorite sport. Oh, and she likes hoops so much that she had a foursome with three basketball players one night in a pool. Wait, what was that?

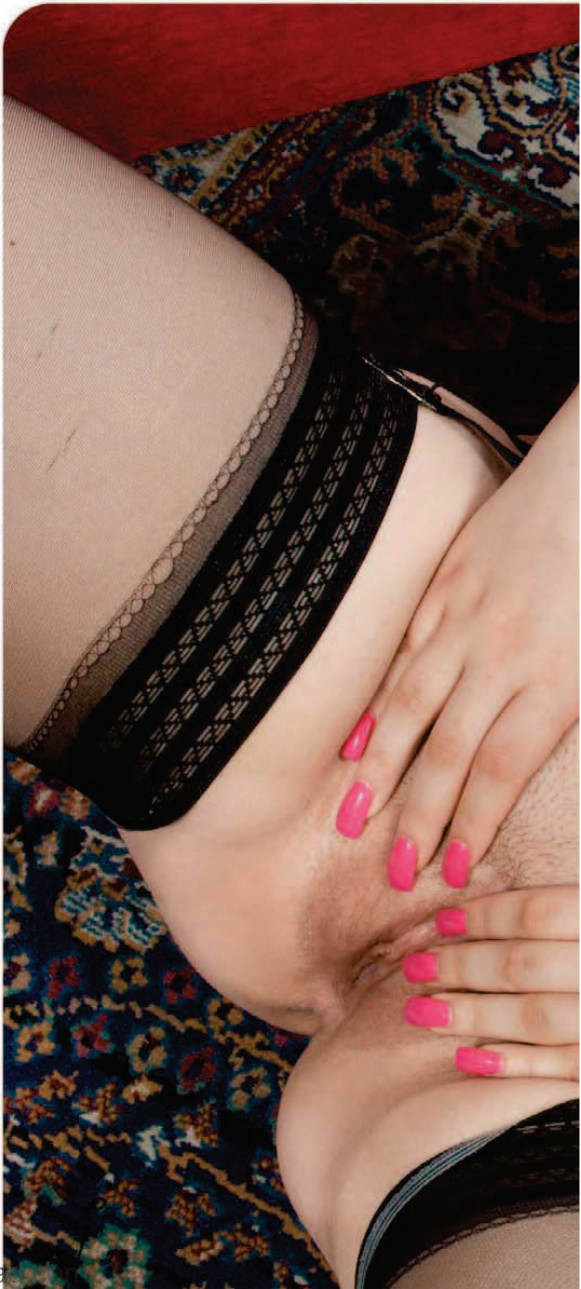

Bare Facts

Hillary Hooterz

Birthday: May 12, 1989 **Age:** 20
Height: 5'2" **Weight:** 173 lbs.
Bra: 38F **Measurements:** 44-36-38
Lives: Fountain Valley, California
Occupation: Model
Hobbies: Photography, watching
porn and masturbating.

"I once had a fling with three basketball players in the pool," says Hillary. "All those hands on my body felt amazing and we were all wet, which made it even sexier. Then we all went upstairs to my place and I played with all three of them. Maybe a shy and less curvaceous girl wouldn't have been able to handle all that, but I was all over it. I'm built for pounding and rough sex and I love to have my legs spread wide and my tits gripped really hard!"

But Hillary doesn't save all her lovin' for just the fel-
las. "Oh, I've had plenty of women and I like sensual,
erotic play with a woman. Lots of tongues and fin-
gers and caressing. I don't necessarily like strap-ons. I
prefer just touching and kissing each other a lot."

INTERVIEW

**Renee
Ross**

**BIG,

TITS!**

Interview by Maria Guerrero

Renee Ross is one of our newest, soon-to-be legendary V-girls and we can vouch that her J-cup cannons are not only huge but they are also soft to the touch. (And yes, we touched them more than once. You know, for research purposes.) She is everything that you want in a girl. She's smart and has big boobs. She is a nurse, who just so happens to have big boobs. She is an ex-cheerleader and yes, when she was a cheerleader, she had big boobs, too. (We think you can see where we are going with this.)

Renee sat down to talk with us about all the things that make her

click. From her straightforwardness about sex to her funny take on blow jobs, it is easy to see why Renee is well on her way to becoming a V-girl mega-star. Keep your eye on Ms. Ross, gentlemen. She is going places.

V-MAG: Welcome to *Voluptuous*, Renee.

It is our pleasure to have you here.

RENEE: Thank you so much. It's a pleasure to be here.

V-MAG: Where are you from?

RENEE: I am from Chesapeake, Virginia.

V-MAG: And how old are you?.

RENEE: I am 27 years old.

V-MAG: How tall are you?

RENEE: I am 5'5".

V-MAG: What are your measurements?

RENEE: Um, I am a 40-32-40.

V-MAG: What is your cup size?

RENEE: I am a J-cup, but it might be bigger because I don't think that I've ever been measured properly.

V-MAG: Wow! A J-cup is impressive.

How do you buy bras that big?

RENEE: I order them online. I can't ever go into the store and find something.

V-MAG: Who makes the bras you wear?

RENEE: Lane Bryant. They always have what I need, online. They make everything. Every now and again I will find something in the store but it is really time-consuming to look through the shelves and try and find something.

V-MAG: Do you find that your tits are so heavy that your bras rip apart? Are you one of those ladies who is a bra-shredder?

RENEE: Um, no. Not really.

V-MAG: Do your bras have underwire?

RENEE: I used to wear underwire and then I switched to the ones that were all

cloth and now, I am back to wearing underwire again. I switched back.

V-MAG: Is there any particular reason for that? Is underwire more comfortable?

RENEE: Not really. I just like it because it gives me more back support and that's important. I mean, sometimes underwire hurts, but I will take back support over that.

V-MAG: Do your boobs hurt your back?

RENEE: I have a lot of back and neck pain.

V-MAG: So you live in Virginia and what is it that you do there?

RENEE: I am a nurse.

V-MAG: Wow! A big-boobed nurse? That's probably the hottest cliché ever!

RENEE: [Laughs.] Yeah, I get that a lot.

V-MAG: Describe your day, Renee.

RENEE: Well, I work nights, so I usually sleep all day. I work about a 12-13 hour shift. And I do that like three days a week.

V-MAG: And what kind of nurse are you?

RENEE: I am a Cardiac Surgical Intensive Care Unit nurse.

V-MAG: Renee, we don't even know what that means, but it sounds very intense.

RENEE: [Laughs.] It is, sometimes.

V-MAG: Now while you're Cardiac-Surgical intensively nursing...

RENEE: [Laughs.] That was funny.

V-MAG: What do you wear? A hot, little nurse's outfit?

RENEE: No, I am in scrubs and, like, a T-shirt and a lab coat. Or I will wear a V-neck, sometimes.

V-MAG: We are willing to bet that your V-neck shirts cause quite a stir.

RENEE: Yeah, they do. I work nights, so it is a lot easier to get away with wearing something tight fitting. But when I do wear those kinds of shirts my coworkers, whom I am very good friends with, freak out when they see how big my boobs are. I mean, they don't really realize how tiny my waist is until they see me in something fitted. I don't really wear stuff like that often but when I do, people notice.

V-MAG: When you go to work, you are dealing with patients all day. Are they hitting on you? Pre-surgery, obviously.

RENEE: Well, we usually don't deal with them when they are conscious and when they are, they are pretty out of it on medication. But the ones that do always tell me that I am pretty and that my eyes are nice. It's never a direct compliment on my boobs. But you can tell that they like them and that they are looking.

V-MAG: When did you start getting boobs, Renee? How old were you?

RENEE: I was in 5th grade and I already had boobs. I remember going to a sleepover at a friend's house and she had older sisters and we were skinny-dipping in her pool. I remember that my friends were making fun of the older girls

and taunting them because I had bigger boobs than they did. I mean, I was like 13 or 14 and they were already a D. And by the time I was 15, they were already way past DDD.

V-MAG: And you were in high school? Did the other girls treat you badly cause your boobs were so big?

RENEE: Oh, yeah. I mean, I don't think anyone knew what my face even looked like. I think all they knew about me was big boobs.

V-MAG: Did you play any sports?

RENEE: Yes, I did. I was actually a cheerleader in high school.

V-MAG: Wait. You are not only a big-boobed nurse, but you were also a big-boobed cheerleader, too? That is pretty insane.

RENEE: [Laughs.] Yeah, it was. I mean, I even did gymnastics at one point. But I had to quit because of my boobs. I couldn't do any of the moves because my boobs had become too big. But I did play softball all through high school.

V-MAG: And you were a cheerleader. Let's talk about that.

RENEE: [Laughs.] Well, I was the girl with the biggest boobs on the squad. That was for sure.

V-MAG: And did you ever have an embarrassing moment during cheer practice because of your boobs?

RENEE: Oh, boy. [Cringes.] It

depends on what outfit I wore. Sometimes I would jump around and they would pop out. I couldn't even find a sports bra that fit!

V-MAG: And when you are out and about, what do you wear?

RENEE: If I am going out for like dinner or something like that, I like to wear fitted tops and show my boobs off. Don't get me wrong; I like to show them off. I like my boobs. I like to wear things that call attention to them. Nice bras and low cut shirts are a good way to do that.

V-MAG: Tell me an embarrassing story about your boobs, Renee.

RENEE: I don't know if I have one. I really don't pay attention to them. I mean, my boobs call a lot of attention to me, but I just ignore it. Men are more shocked by my boobs than anything else. That usually means that they stare, but they never come up and say something to me.

V-MAG: And what do you like to do in your spare time, Renee?

RENEE: I like to shop a lot. I also like to spend time on the beach.

V-MAG: And you wear a bikini when you're out on the beach?

RENEE: Yeah, I do.

V-MAG: Wait, what kind of bikini holds those huge boobs in?

RENEE: I wear, like, a halter type of bikini. But they still pop out from time to time.

V-MAG: And do you ever go topless out on the beach?

**"I like it rough!
I want to be
fucked and
pounded!"**

RENEE: Not in my area. [Laughs.]

V-MAG: Is that something that you'd like to do while you're in Miami?

RENEE: Yes, I think I would like to go topless on the beach.

V-MAG: We think that you would start a riot, Renee. We advise that you exercise caution and don't start riots on our beaches.

RENEE: [Laughs.] Yeah, I can see where that might happen.

V-MAG: Now, what kinds of traits do you like in a man?

RENEE: I like to be pampered. I like a guy who will pay attention to me and treat me like a lady.

V-MAG: And where do you like to be taken out on dates?

RENEE: I like to go out to dinner. I love to go out dancing. I even like to go out on dates and shop. I am a very laid-back kind of woman.

V-MAG: Now tell us what gets you off the best, Renee?

RENEE: I would say, a good beating. [Laughs.] I like it rough. I want to be pounded. I mean, I can always get off from good oral, and I love that, but I like to be fucked hard and get my pussy a little beaten up.

V-MAG: And does size matter to you?

RENEE: I think it's more about the thickness than the length and that's because a guy needs to know how to use what he's got.

V-MAG: Obviously your boobs come into play when you are having sex.

RENEE: Yeah, I like it when men play with my boobs. I like to tit fuck, too.

V-MAG: Are your nipples sensitive?

RENEE: Yes, they are. I like them pulled. Remember, I like it rough. So I like them tweaked and twisted. The harder, the better.

V-MAG: You said that oral satisfies you. Do you like to give oral, too?

RENEE: Oh, I love it.

V-MAG: Describe what a good blow job is to you. Give us juicy details.

RENEE: I have the magic wrist. And I can give good deep throat.

V-MAG: Wait, tell us what the magic wrist all about.

RENEE: I just know how to move my wrist in time with my mouth and I've been told that it's pretty magical.

V-MAG: Do you deep throat, too?

RENEE: Yes, I like the sound a cock makes when it is in the back of my throat. That gagging and suction noise

Fruits of Your Desire

Ivy Darmon

Meet Ivy, our second newcomer from the Czech Republic this issue. Ivy is a bit of a wild child who likes to be watched and has a thing for getting naked in public. "I like this. I like to be naked in the open where people watch me make the fucking and be very sexy," she said in broken English.

Bare Facts

Ivy Darmon

Birthday: November 22 **Age:** 21
Height: 5'7" **Weight:** 133 lbs.
Bra: 32E **Measurements:** 38-28-34
Lives: Czech Republic
Occupation: Boutique Clerk
Fantasies: To have sex with two men in a dark, dirty alley.

Ivy's fantasy is to have a threesome with two men in a dark alley so that her screams can echo off the walls. For her, being caught having sex in public thrills her even more than the fucking itself. She also likes to be spanked and to wear nipple clamps during sex. "My breasts are good for pinching and pulling," she said. Oh, yes, they are, Ivy!

**Hold me
closer, titty
dancer!**

Sophie Mae

We'd like to take the time now to thank the Czech Republic for their contributions over the years of many, many busty chicks that make us want to jack. Especially for Sophie Mae, a 23-year-old newcomer whose perfect, creamy tits and pale, pink areolae might be some of the best exports from the Czech Republic so far. Sophie is new to modeling but not a stranger to being the center of attention. She is a professional dancer and spent quite some time shaking her goodies for our photographer. (Or maybe it was that she didn't speak much English and chose to communicate with her curvy hips and big tits!)

What kind of dancing was Sophie doing for our lucky lens men? She was shimmying and gyrating to Middle Eastern music and giving them a belly-dancing show. (Although who could focus on her hips when her tits were jigging and swaying to the beat?) Although she spoke very little English, she tried her best to explain to us that she didn't want to show any pink because she wanted readers to look at her breasts and enjoy them instead. We can't argue with her logic because from the minute these photos came our way from our team in Czech Republic, we can honestly say that we have been enjoying Sophie's breasts immensely.

**Camelia
Davis**

**“I want to be
spanked
and told I’m a
bad girl.”**

Interview by Maria Guerrero

There aren't many ladies who can make us horny with just one look, but tan-canned Camelia Davis can. There is something indescribably voracious about her appetite for sex and her ability to turn her eyes on you and

make you feel like YOU'RE the one who is naked in the room. You won't find a more straightforward, honest lady out there and you certainly won't find caramel F-cups like Camelia's just anywhere, either. No, ladies like Camelia are special because you can not only have a great chat with her, but you know that if you had the chance to

spend five minutes with her in private, she could probably fuck you senseless and then pat you on the back and send you on your way. Yeah, she is one of those jack-fantasy girls come to life. That's why she will talk sex to you until you are squirming in your seat. That's why she will make you hard and smile about it. That's why she's

soon to become one of your favorite newcomers. She's destined for greatness and great fucking, too. And she knows it!

V-MAG: Welcome to V-mag Camelia.

CAMELIA: Thank you very much! It's really wonderful to be here.

V-MAG: Tell us where you are from.

CAMELIA: I am from Phoenix, Arizona.

V-MAG: And how tall are you?

CAMELIA: I'm tiny. I am 5'2".

V-MAG: And what size bra do you wear?

CAMELIA: I am a 38F.

V-MAG: Wow! That's a whole lot of breast flesh on such a tiny frame.

CAMELIA: [Laughs.] Yeah, I have been told I pack a lot of boob for being such a small woman. I like it, though. I love my tits.

V-MAG: We love your tits, too! Do you have trouble finding bras?

CAMELIA: Yes. It's very hard for me to find bras that fit my frame the right way.

V-MAG: Where do you find them?

CAMELIA: I go to certain stores that I know will carry my size or I shop online. But I can't just go into, like, a regular bra store and buy my bras. That never happens to me. It is always a problem for me

to find bras. I have to dedicate a lot of time to it.

V-MAG: Do you ever just get them custom made?

CAMELIA: No. It's really very expensive to get them custom made and I rip through bras a lot. They don't justify the investment. I mean, I have thought about it, but I just can't do it.

V-MAG: Now, do you find bras that are reasonably priced?

CAMELIA: Well, I don't mind paying a reasonable price, but not too cheap because cheap bras don't work for me. They are either made poorly and they don't fit right, or they just fall apart because they are too small for my boobs and they stretch out the cheap fabric and I rip through them. And they have no support, either. That's the deal breaker. I need to have support.

V-MAG: We love bra shredders.

CAMELIA: [Laughs.] I will definitely keep that in mind.

V-MAG: Have you ever had an embarrassing moment where something has happened to your bra and you just had to take it off and let your boobs free?

CAMELIA: Oh my gosh, yes! Usually my bra will just pop open and I would take it off. I would go braless, but, like, under my shirt. Not, like, topless or anything like that.

V-MAG: So you let your F-cups loose in the streets? How do people react to that?

CAMELIA: Oh, people look and it's very obvious that they are staring at my tits. But that's not always a bad thing. I just think that people are naturally curious about big tits. And to tell you the truth, I don't mind them staring. I kind of like the looks, actually. I like all of the attention.

V-MAG: Do you have a lot of girlfriends that have tits that are as big as yours?

CAMELIA: No, actually. I am the only one. A lot of them have really tiny boobs.

V-MAG: Do they grab your boobs all the time?

CAMELIA: Yeah, they like to feel them and squeeze them and see

how much they weigh. It's pretty funny. And you know what? It kind of feels good. I actually like it. And I encourage them to continue because it feels a lot like a massage. I tell them not to stop touching me.

V-MAG: Do guys hit on you because of your boobs? Meaning, do they come up to you and just start talking to you about your boobs?

CAMELIA: Oh, yeah, it happens all of the time. I get hit on a lot. Some of them like my face, or my ass, but most of them start to compliment me on my tits right away.

V-MAG: Tell me a crazy story about one of these guys hitting on you because of your tits.

CAMELIA: I was at the mall one day and I was shopping. I kept seeing this guy and he was checking me out. I mean, he kept staring and staring. I ended up at the food court and he came up to me and just straightforwardly asked me if he could touch my breasts. He was really hot, so I said yes. So he groped me right there at the food court and then he just went about his merry way.

V-MAG: So you just let a random stranger fondle you in public?

CAMELIA: Yes I did and I have to admit that it was very random.

V-MAG: Did people see that happen?

CAMELIA: Yeah and I got a few dirty stares from the flat-chested women

who were around but I saw that a few of the guys who had seen it really liked it. I told you guys that I love all of the attention. It's awesome.

V-MAG: What do you do in Phoenix?

CAMELIA: I like to go shopping. I also like to go for walks and I am a fan of traveling. But mostly I like to be outdoors in the sun. I mean, it gets hot in the summer but it's still nice because it's not humid.

V-MAG: And when you are taking these walks in the sunshine, what do you wear, Camelia?

CAMELIA: I like to dress in really sexy, very skimpy outfits. I love to wear short skirts and really tight tops and I am always in high heels. I like to look sexy all the time.

V-MAG: I am sure that the way that you dress when you're out gets you a lot of attention, too, right?

CAMELIA: Of course. That is why I dress that way. I like the attention. I think I live for the attention. It makes me feel good and it kind of makes me horny, too. I like it when I get stared at by both men and women. It makes me feel really good that they are looking at me and I know that they all want to fuck me.

V-MAG: What is it about a guy that turns you on?

CAMELIA: I like it when a man takes the time to look his best. I take my time and I look my best, so I like it when a man looks well-put together. I also love glasses on a man.

V-MAG: Like, nerdy glasses? You like men in eyewear? Why?

CAMELIA: Yes. I love nerdy guys. I think that they are very nice and very sensitive. And you know what else?

Nerdy guys can fuck better than anyone else. Nerdy guys are great in bed.

V-MAG: Why do you think that is?

CAMELIA: I think that a lot of people don't give them credit and don't think that a nerdy guy can fuck, so they don't give them the time of day. But in my experience, the men that I have met with the biggest cocks ever are all nerds. Long live the nerds!

V-MAG: Do you prefer a big cock?

CAMELIA: It doesn't have to be huge but it does have to be big enough so that I feel it and I can get satisfied.

V-MAG: What satisfies you the most when you are in bed with someone?

CAMELIA: I love a lot of foreplay. I love to kiss. I think kissing is really

important and if a guy can't kiss, it is a big turnoff for me. I also love having my pussy licked nice and slow until I start grinding on a guy's face and I can feel my cum getting his mouth and nose all slick. I like to get my pussy fucked by a tongue until my pussy contracts and I can't stop cumming. But don't get me wrong. I love cock. I love to suck it, over and over, for a long time. I love to give head. Maybe it is because I am so good at it. I like to get it nice and wet and suck on it like it's my lollipop. It feels so good in my mouth.

Mmm...that makes me want to suck on one right now.

V-MAG: What makes for good head? What is a good blow job for you?

CAMELIA: A good blow job has to be wet. It has to be so wet that it makes noise when you stroke it. And you have to lick it a lot and stroke it over and over. And you need eye contact. Lots of eye contact is important because you are able to see just how much pleasure you are giving someone. It is all about the pleasure aspect.

V-MAG: Eye contact? Do you really think that it's necessary?

CAMELIA: It is so important because you can see into a man's soul that way. You can see how much or how little time is left before they cum. All of that is conveyed through the eyes.

V-MAG: Let's talk about the balls for a second. Some girls think that when you are sucking dick that it is all about the shaft and then head of the cock. And a lot of times, they ignore the balls. In fact, some girls are not even about the balls. They want nothing to do with them. What do you think, Camelia? Are the balls necessary when giving a guy a BJ?

CAMELIA: I like the balls. I think balls are important in a BJ. But I will say this about why balls get such a bad rap: Guys need to learn to take care of their balls. They need to be shaven and clean and then I am pretty sure that all women would love the balls and put them in their mouths.

V-MAG: Now, when you finish with what sounds like an extraordinary blow job, do you mind it if a man wants to cum in your mouth?

CAMELIA: You know what? I don't at all. I like cum. I really do. If a guy wants to cum in my mouth, I don't

I think it's because it's a lot more passionate and kinky and most guys you pick up and have sex with put a lot of effort into the sex. They fuck you like you are the last woman on Earth! I like that."

And what about Tom, Dick and Harry? "I just recently had sex with three guys I met at a club. They were bad-boy types and they told me they were going to do nasty things to me! That turned me on so much I fucked them in a nearby motel!"

mind. And if he asks to cum on my tits, that is good, too. I like to see it splattering all over my chest. I like to play with it and rub it into my nipples. I think cum is sexy.

V-MAG: Now if a guy cums in your mouth, are you going to swallow it? You know what we think here at V-mag...spitters are quitters!

CAMELIA: [Laughs.] I don't mind swallowing. But every now and again, I will spit. It all depends on how I am feeling at the moment. Sometimes the spunk just doesn't taste good.

V-MAG: What about the theory that if a man eats a lot of pineapples or peaches his cum tastes good. Is that a theory you adhere to?

CAMELIA: I think that theory is true for the most part. But the problem is that men don't like to eat a lot of fruit. That's why their cum might not taste good. But I believe that theory could be true because of the acid in fruit. It probably does make cum taste better.

V-MAG: So a little birdie told us that you have an extreme fetish for getting spanked. Is that true?

CAMELIA: [Laughs.] I love being spanked. That is my ultimate fetish.

V-MAG: Why is that, Camelia?

CAMELIA: I don't know. I like to be spanked and told that I am a bad girl. I know that in my regular life, I am actually a good girl. But I like to be bad in the bedroom. When a man spanks me, it turns me on. It makes me feel naughty and makes my pussy gush.

V-MAG: How would a guy build up to spanking you, Camelia?

CAMELIA: I like it for a man to just put me over his knee, pull my panties down over my ass and just spank me and tell me how bad I have been. It makes me grind my pussy into his legs. It gets me so hot that I can't control myself. I mean, a man can even use a paddle on my ass. I don't want to be beat on; I just want to be disciplined a little by a sexy man.

V-MAG: What other fantasies and fetishes do you have?

CAMELIA: Well, I want to have sex with a bunch of men at once. I want to be fucked and man-handled by a lot of big, strong men and then I want all of them to cum in my face. I think it's because I have a lot of men friends and

I often fantasize about just ripping my clothes off and fucking all of them. And I want to see all of the cum that I can make them shoot, so what better place for them to shoot it than all over my face, right?

V-MAG: Do you masturbate a lot?

CAMELIA: Yes, I do. I mean, it depends on how much sex I am having at the time. If I can have sex, I would rather not masturbate. But when I am really horny and it is just me, I can masturbate anywhere from five to ten times a day, over and over. It just feels good.

V-MAG: What do you use?

CAMELIA: I use my fingers and rub on my clit. In fact, I like to wrap my fingers around my clit and just rub it.

V-MAG: Are you into nipple play? Are your nipples sensitive?

CAMELIA: Oh, yes! They are very sensitive and I love that. I like for them to be caressed and pulled and tugged. I don't want them to be handled too roughly, but with just enough force feels really good.

V-MAG: Do you use your tits when you are fucking a guy?

CAMELIA: Yes, that's what they are for, right? I like to use my tits to tit-fuck a guy and I like to be on top and lean over and tell him to suck on my nipples. That feels so good!

V-MAG: Now are you the type of girl that goes from blow job to the tit job? Are you a transitional girl?

CAMELIA: [Laughs.] Yes! I love that term. "Transitional girl." That is exactly what I am. I will go from the blow job to the tit job, especially if I think a man is going to cum right away. I prefer him to cum on my tits.

V-MAG: Are you into girls at all?

CAMELIA: I like women, but I haven't had one in a long time. I would like to do it again, though. I like women with big asses. But I like big breasts, too. I am not into thin women at all. A woman has to have curves.

V-MAG: Well you certainly have curves, and what we must commend as one of the dirtiest minds we have encountered here at V-mag. We think we love you, Camelia.

CAMELIA: [Laughs.] Aww, thanks!

V-MAG: Unfortunately, we are out of time. Thank you for sitting with us today and don't ever change!

CAMELIA: I promise not to!

V-MAG: Fans can see Camelia in her DVD debut coming soon!

gets me off.

V-MAG: And when you are giving this amazing blow job, do you swallow or spit?

RENEE: It depends. I need to have a full stomach to swallow cum. I can't do it on an empty stomach. It makes me sick. But I don't mind playing with it in my mouth and make it sexy.

V-MAG: And do you like to use your tits during sex, too?

RENEE: Oh, definitely. I think that is part of my sexual arsenal.

V-MAG: Tell us about titty fucking with your huge cannons.

RENEE: Well, I like to lay on my back and I'll get them nice and lubed up and then I will interlock my fingers and let them go for it. I enjoy it because I am very much about pleasing men, so that is what gets me off about titty fucking. It gets me excited to see them feeling good.

V-MAG: So when you are having sex, you are a giver and not a taker?

RENEE: Yes, I love to please men. I mean, I don't mind being pleased, but for me, it is all about their pleasure. I think that is what gets me off the most about being with someone.

V-MAG: Is there anything that you have not tried yet, sexually, that you would like to try now, Renee?

RENEE: [Awkward silence.]

V-MAG: Wow! Well, it seems that we might have asked you the wrong question because you have apparently done it all. [Laughs.]

RENEE: [Laughs.] Yeah, that question caught me off guard. I had to actually stop for a second and evaluate my sex life and think about it. There is not much out there that I haven't tried.

V-MAG: Do you like anal? Have you done it in your personal life?

RENEE: I have, actually. I have done anal and I will say that yes, it can be good sometimes. I mean, you can obviously get fucked in the ass or you can have some fingers in there during oral. Both can feel really good.

V-MAG: So when anal is good for you, what makes it good?

RENEE: I think that you have to use a lot of lube and I have to rub on my clit and stimulate that. That's what makes it good. It has to be with the right per-

Red-Hot Redheads

Some claim that redheads are notorious for their fiery personalities and hey, we think that might be a matter of opinion. But what we can say with certainty from our experience with the redheads on these pages is this: Redheads like it hard and HOT! These ladies could melt ice with their auburn manes and their luscious mams. Gingers like Stephanie (bottom left) who unleash their pale breasts in the great outdoors and red-hot vixens like Jolie Rain (right) who spread their milky white twats for hard cock are the kind of spitfires that V-men live for!

Jolie Rain
Feb. '09

Rubenesque redhead, Sapphire, (this page) is known for her insatiable appetite for sex so it cums as no surprise that this carrot-top likes to stuff her twat with stunt cock. And Paige Plenty, (opposite page) claims that being a redhead means that men don't question her need for sex at all hours of the day. "They just seem to understand that we redheads need more sex than the average girl does," she said. And super-plumper Evzenie says that redheads are more fun in the sack, too!

And who could forget one of the most-notorious redheads of them all, Cherry Brady (bottom left)? What does this V-mag legend have to say about her scarlet tresses? "Being a redhead means you get noticed faster than the next girl. Guys love that we're hot in the pants and even wilder in the sack! Blondes may think they have more fun and brunettes are always mousey, but red-heads know how to show a man a good time and we are never shy about asking for second and third helpings of cock. Redheads are just hornier," she said. Truer words were never spoken.

son and it has to be done at the right time. Then it feels really good.

V-MAG: Okay, so on the other side of the spectrum...do you like women?

RENEE: Oh, yeah. I love women. I have been with a few women.

V-MAG: In threesomes or alone?

RENEE: I have done it mostly in threesomes before.

V-MAG: What is it about women that you like versus being with a man?

RENEE: I like petite, dark-skinned women with little boobs. I mean, I like them tiny. I like my body size, but when I am with a woman, I prefer someone who is the opposite of me.

V-MAG: Are you aggressive with women, or are you passive?

RENEE: I think that it is a little bit of both. I think it depends on whether she is a close girlfriend or a stranger. If I know the girl and I feel comfortable, I will be more aggressive. Usually though, if I am with a woman, I like for her to be more aggressive with me. I like to be the passive one sometimes.

V-MAG: Do you think that women give better head, or men?

RENEE: I haven't been with a lot of women, but the ones that I have been with, have given good head. But the bottom line is that men, at least for me, men do it better. My experience is that the best head that I have gotten has been from a man.

V-MAG: What is your favorite thing about being a woman?

RENEE: There is something about kissing a woman that gets me really horny. I have been in a situation where I am maybe getting fingered by a guy or eaten out and then, while that is happening, I have kissed a girl that has made me cum so hard. I mean like I literally just came all over the place because of just kissing a girl. I explode. I think that is amazing.

V-MAG: So you are saying that when you cum, do you squirt?

RENEE: I have and that was in that situation. I think that just means that women make me cum harder but it has nothing to do with the sexual aspect of it. It just has to do with the fact that I find them sexy.

V-MAG: When you are with a woman do you like to go down on her or do you like to use toys? Inquiring minds

want to know if you strap it on.

RENEE: [Laughs.] Well, I have this one girlfriend that I hang out with and we have our own girl/girl routine and we have a blast. I love to strap it on and fuck her. And she is just as big as I am, so it's very hot for the two of us to go at it like that.

V-MAG: You told us that you have been with a man and a woman before. Have you also been with two guys at the same time?

RENEE: Yes, and it was a lot of fun.

V-MAG: Did you do anal in that situation? Are you into DP at all?

RENEE: I think that we did it doggie-style while I gave head to the other guy. There was no DP at that time.

V-MAG: Do you have any fetishes?

RENEE: I wouldn't say that I do it all the time, but I do like to be tied up. I mean, I have been tied up before and I liked it. I also used hot wax before, too, and I liked that a lot.

V-MAG: Why do you like to be tied up? Is it the feeling of constraint?

RENEE: It was fun. I liked being taken advantage of. I liked losing control and being able to say, "Okay, I'm here and I am all yours. Take me however you want me." That's the passive thing I was talking about. I like it when people just do me.

V-MAG: So tell us how you got your start as a model.

RENEE: My friend had posted some naked pics of me on a site and you guys found me and approached me and I was thrilled to do it and now here I am. It's a lot of fun

V-MAG: Have you ever done nude modeling before this?

RENEE: Well, a friend of mine is an amateur photographer and he took the pics of me that you guys saw on his site. He was the only person who shot me naked. So in a way, this is the first time that I model like this for real and not just for fun.

V-MAG: Is this something that you have always wanted to do?

RENEE: It's actually something that I thought that I would never do. I don't think that I had the self-confidence to put myself out there like that before. 'Cause I never really liked my body type before. But now that I am here I am really flattered and I just feel so amazing. This whole thing is like I am living a dream. When I hear people saying that I am gorgeous or that my pictures are amazing, it just makes me

feel really good. I like it a lot.

V-MAG: Where do you see your career as a model going?

RENEE: My goal was to just get into a magazine, actually. All I wanted was to be in a magazine and pose just once. So I have reached that goal and I am so happy about it. And now I am excited to think about what could be my next goal. This whole thing has just been so fantastic. I can't even begin to describe it to you.

V-MAG: Would you say that you are something of an exhibitionist?

RENEE: I wouldn't say that I am anymore, but there was a time when I really was. I think that I have become a lot more mellow these days.

V-MAG: Do you see yourself doing boy/girl shoots in the future? Is that a side of yourself that you want to explore at this point?

RENEE: I think so. I think that it is somewhat of a fantasy for me to play around with in my mind. I mean, at first I thought no, I couldn't do it. But now I am seriously considering it. It is something that is fun and exciting and I have a lot of support from the people that love me, so I feel confident that I would like to do it.

V-MAG: Can you tell us what your fantasies are, Renee?

RENEE: I wouldn't say that I have a lot of fantasies. I just like to cum a lot.

V-MAG: Do you masturbate a lot? How many times a day would you say that you go at it?

RENEE: I think it has to be somewhere in the ballpark of two to three times a day. It usually relaxes me and it helps me to go to sleep after one of my long shifts at the hospital.

V-MAG: Do you wear a bra to bed?

RENEE: No, I like to sleep nude.

V-MAG: Well, it looks like the photographers are signaling for you to go on to the set, Renee, so unfortunately we have to wrap this up now.

RENEE: Aw, no! I was having fun!

V-MAG: Well, we look forward to having you back again, soon! Is there anything you want to tell your fans before you go?

RENEE: Oh, yeah! Get my DVD, *Tits Tits Tits!* I'm really excited about it.

V-MAG: You heard the lady! You can get her new DVD on page 9. Okay, Renee, thanks for being so candid.

**"Rub my

Aspen loves to fuck porn studs on camera and has often said that it is the thrill of being naughty that makes her come back for more every time. "I am an average girl who works a nine-to-five and has a very low-key lifestyle. Not many people even know that I do porn. It's my dirty, little secret. And when they do find out, they ask if they can watch some of my DVDs with me. I always say yes, but only if they rub on my tits and clit while we watch!"

And what happens when you rub on Aspen's nipples and swollen clit? "I go completely crazy," she says. "My nipples are very sensitive and the more you rub them, the wetter my pussy gets. The wetter my pussy gets, the more sensitive my clit becomes. I can orgasm from being rubbed by expert fingers. Then I am ready for more!"

How much more is Aspen ready for? "Once I cum from having my sensitive areas massaged, I like to be fingered until I can hear my pussy juices gushing and squirting. That's when I like to go down on a man's cock and get it wet with my spit. And then I like to sit on his dick and ride it. I don't like to go fast because I like to feel every inch sliding in and out of my pussy. The slower I go, the more friction that builds up and soon, I am cumming really hard."
